Suzie's Farm Turns Five Suzie's Farm, located on 140 acres of land 13 miles south of downtown, is turning five this year. To celebrate they have opened an online Shareholders' Store where members can purchase additional items to be delivered with their weekly box of produce. These items include fruit from other certified organic family farms like Stehly Farms and Smit Farms; coffee from Barrio Logan's Café Virtuoso; and juicing bags, jams, and other sundries. They will also be expanding to offer flowers, eggs, cheese, and meats. Suzie's Farm's boxes are available in small and regular sizes. Members commit to 6, 13, 26, or 52 boxes of produce delivered weekly or bi-weekly. (619.662.1780, www.suziesfarm.com)
